

You Guided My Life

Autobiography of Rev Hsueh Yu Kwong (1919-2004)

- As we served together, I soon realized that here was a remarkable, but humble man of God, whom He had prepared through his life-long service, contacts and networks in Asia, in order to call the Chinese churches to missions, and in particular to cross-cultural missions.~~Dr Andrew Ng
- Throughout his life and ministry, the late Rev Hsueh was respected for his Biblical teaching upright character.~~Rev Tan Kim Sai
- My Life has been impacted by the late Rev Hsueh Yu Kwong. His life, his godliness, his preaching and insights from the scriptures, and his involvement in missions is a testimony to the power of the gospel. ~~Rev Dr Mark Chua
- He used to kneel by the side of the bed and prayed for quite a period of time. My uncle had this total commitment to Christ which left a deep impression on me. ~~Dr Gong Yean Kee
